

CT Green Leaf Schools Letter of Commitment

I am pleased to submit a letter of commitment to recognize the active participation of _____ {school/district name} in the Connecticut Green Leaf Schools program.

_____ {School/District name} will work to establish a Green Team that includes staff, students and other members of the school and greater community to gather information, develop a plan of action, and strive to achieve success in each of the following Green Leaf School pillars:

1. Reduce environmental impact and cost
2. Improve the health and wellness of students and staff
3. Provide effective environmental and sustainability education

As part of our commitment, we have identified _____ {main point of contact} as our representative to the CT Green Leaf Schools program.

In submitting this letter of commitment, I recognize that our school/district joins a state-wide community of schools that sets goals, takes action and makes progress towards a world where every student is able to grow in a more sustainable and healthy school.

Sincerely,

Head of school or district name
